School-based Mentoring

PARTNERSHIP PROPOSAL

Become a Standing Tall in Hamilton Business Partner.

We invite our business, agriculture and farming community to invest in us as we stand alongside our school partners, volunteer mentors, and work together to stand by our youth and transform their lives for the better via our award-winning school-based mentoring Program.

We offer a connection between volunteer mentors and students based at our partner schools. Students are often referred to us as they need positive guidance, support, routine and ongoing encouragement. They develop confidence, a healthy connection to school, and benefit from educational opportunities. Students gain a reliable and trustworthy adult supporter that offers guidance and a committed friendship.

Become our Partner and together we will continue to:

- Support our current volunteer mentors;
- Engage, screen, train and match new mentors;
- Support the growing number of students being referred to our Program via our school partners;
- Offer a mentor for every student that wants one.

WHY

19 years since the launch of Standing Tall in Hamilton and we have expanded, partnering with almost every school in the Southern Grampians Shire.

- 15 formal School Partners - junior and senior schools.
- Over 40 students from 8 of our partner schools currently mentored.
- Over 30 new student referrals (a new referral every week).
- 40 locals have expressed interest to become mentors and we are working hard to keep them engaged, complete their applications, undertake the screening, training and matching process and connect them with students and meet the ever-growing demand.
