STANDING TALL IN HAMILTON INC. PARTNERSHIP PROPOSAL

At Standing Tall, our vision is to foster a community-driven environment where students are empowered to unlock their full potential. We are immensely proud of the impact we are making, and none of this would be possible without the generous support of partners.

Become a Standing Tall in Hamilton Inc. Business Partner.

We invite you to invest in us as we stand alongside our school partners and volunteer mentors, and work together to support our young people, transforming their lives for the better via our award-winning school-based mentoring Program.

We offer a connection between volunteer mentors and students attending at our partner schools. Students receive positive guidance, support, routine and ongoing encouragement. They develop confidence, a healthy connection to school, and benefit from educational opportunities afforded to them whilst in our Program. Students gain a reliable and trustworthy adult supporter that is a role model who offers guidance and a commitment.

Become our Partner and together we will continue to support our volunteer mentors; engage, screen, train and match new mentors; Support the growing number of students being referred to our Program; and offer a mentor for every student that wants one.
